1. A salvaged submarine, Type VII C, has been towed into Warnemuende and is now alongside. The submarine is being cleaned. Machinery has been found to be in good condition. The interior of the hull is to be stripped, all equipment overhauled, and then to be reinstalled. There are no torpedoes on board, and it has no periscope.

2. [redacted] about 1,000 25X1  
prisoners are working on a project designed to become a submarine base in  
Sassnitz. [redacted] the submarine recently salvaged and now alongside 25X1  
in Warnemuende would probably be moved to Sassnitz in about nine months.
